Editorial

* * *

It is often said that 'Bad News travels fast,' but occasionally Good News travels even faster. This was certainly the case when the good tidings came through that Norman Welsford was safe though a prisoner of war in a Japanese camp.

There was of course a special reason, for not only were those of us who remember Norman delighted to hear he was safe, but the 'Governor' and Mrs. Welsford have so endeared themselves to every member of the Club, that few of us quite knew how to express our feelings to them.

We are happy to know that their interest in the Club has helped them during their long period of anxiety and more delighted than we can say that their constant faith has been rewarded.

As the War continues new names appear in our Forces News, and are names alone to many of the older members who joined up at the beginning. Unfortunately as more troops are drafted abroad, contact is more difficult and news rarer, and to read these notes without recognising old friends can only accentuate the loneliness we have sought to dispel.

We do appeal to all relatives and friends to send us all the news they can, however scant, so that our Notes may contain as many names as possible and provide a real link with home.

* * * * *

1st XI. REPORT.

As reported at the Annual General Meeting in May, the 1st XI results for season 1942/43 were:—

Played 30, Won 18, Lost 8, Drawn 4, Goals 136—83.

Thus the team had yet another successful war-time season, and the standard of play was maintained at a high level considering the difficulties experienced in further call ups to the Forces. As to the prospects for the coming season, they are of course difficult to comment upon with any degree of certainty but it may be said as regards playing strength that although we have lost Ashby since the close of the season to the R.A.F., there is every hope of the side in 1943/44 being as strong as before.

And now a brief description of the matches played since the date to which the previous report was taken.

On March 6th at home we beat N.F.S. (B Zone) with some ease by 12 goals to 1. Regrettably the opposition was below standard and goals came steadily to the home side the scorers being Jennings 6, Keenan 4 and Manners 2.

The Hill entertained a R.A.P.C. XI the following week and won again fairly comfortably 5—2, only a good performance by the visitors goalkeeper keeping the score down. The Pay Corps concentrated most of their attacking efforts down the centre, but Wiseman in his usual effective manner gave nothing away ; towards the end they used their wings more often and scored 2 well merited goals.

On March 20th we had the return fixture with Barclays Bank at Fords Grove and the proceeds have gone to augment the funds of the Winchmore Hill Club Comforts Fund and the Football Club's purse. A keen enjoyable game resulted in a win for the visitors 5—2 after we had led 1—0 at half time. The opening exchanges were even with the Hill having more of the play and after 20 minutes Keenan opened the scoring by snapping up and converting a long throw in from the left. The Bank then fought strongly and Bell in the home goal made two excellent saves from short range drives from the opposing inside forwards. On change of ends the marking of the Hill defence was not nearly as good as before and by skilfully varying their tactics from short quick passes to long crosses the visitors scored 4 quick goals, the third by Sunnett at inside right being a grand drive which gave the goalkeeper no chance. Winchmore rallied after this and from a determined effort Jennings scored our second goal ; but despite further attempts at reducing the lead we failed to score again whereas shortly before the end the Bank added their fifth.

The following Saturday we returned to winning form in defeating N.F.S. (D Zone) at New Beckenham 5—1. The condition of the ground was very good indeed but the football from both sides seemed to be too slow with insufficient use being made of the long pass. The 1st half was evenly contested with the Hill leading 1—0 at change of ends but after our second goal early after the resumption, the N.F.S. looked and played like a beaten side. Jennings bagged 4 goals.

On 3rd April we lost at home narrowly but deservedly to Alexandra Park 1—2, after having the advantage of the slope and many chances in the 1st half but only leading 1—0 at the interval. In the second half the visitors showed more tenacity than we and notched the winning goal towards the end through a well taken shot from close range by the inside left.

There was no game the next week but on 17th April, we visited Preston Road to play R.A.P.C. (London) winning an enjoyable game 4—3. Winning the toss we decided to take the advantage of the sun and the slight breeze and were shortly 2 goals up through the centre forward smartly converting balls put well up the middle for him to run on to. After this reverse the home side pulled themselves together and soon reduced the lead following some good right wing inter-passing resulting in the inside forward making no mistake. Half-time arrived with the score 3—3 and at the end of an evenly contested second half one winning goal was scored by an excellent shot from our right winger into the corner of the net.

A strenuous, if not particularly fast game on Easter Saturday away to Edgware Town resulted in a well-earned victory by 5—1 after we had led 2—1 at half-time. Owing to the calls of Cricket and other reasons, we included some "guest" players from Broomfield F.C. and Ray Livermore and each gave a very sound performance. Undoubtedly, however, the best player on the field was Wiseman our centre half, who never put a foot wrong throughout the match. The Hill underwent very strong pressure at the start and were a goal down after 15 minutes. Thereafter, we never looked back and mid-way through the half Ciano at centre forward equalised with a fast drive into the roof of the net and just before the interval Ings gave us the lead. Our steady and forceful play was due to no small extent to the hard work of the halves with Thomson and Manners on the wings distributing the ball well. After change of ends there was no doubt that the Hill was the better side and we added 3 further goals without reply through Ings. Bain and Livermore, the last named scoring with a terrific drive which gave the keeper no chance. And thus a highly successful season ended on a very strong note.

FORCES NEWS.

The additions to the list of serving members since the last bulletin include :—Gordon Brooke (Army), D. A. Fricker (R.A.F.), Tudor Williams (Army), W. V. Buckland (R.A.F.).

Congratulation to Flight Lieut. George Newsham on winning the D.F.C. Incidentally he hopes to get some cricket at Fords Grove over the August Holiday.

Promotions include A. Dabbs (India) to Captain (R.E.), N. G. W. Walker (R.N.) Commissioned.

Many thanks to several, both home and overseas, who have written recently. Interesting 'snippets' from their letters are included here.

From R. Willgoss (R.N.) who met Steve Plant's brother and learned that Steve is training to be a Navigator-Pilot of a bomber.

Ken Howard (Maritime R.A.) now in New York for a considerable period.

G. Southcombe (India), has had plenty of soccer and acknowledges receipt of belated Xmas Card and P.O. Jock White writes from Aden and also acknowledges Xmas Card and P.O.

Bernard Carter from Palestine, tells how he received a message via a Squadron Officer who met Harold Dupont in Cairo and later news tells of Bernard and Harold contacting. Bernard also has received Xmas Card and P.O.

John Farthing (M.E.F.) since July last year has enjoyed tropical heat and a period on the borders of Russia.

Leslie Abbott writes from Durban where there is apparently plenty of everything including work. A badly sprained ankle has prevented him from getting any Soccer with the station side who are doing well in the local league.

Two weekends in June saw the fantastic spectacle of a private car, privately owned in the Club Car Park. It belonged to Frank Hunter who has appeared at long last, from W. Africa and enjoyed, among other things (!), the privilege granted to overseas forces during their first leave after disembarkation.

Some news of the 'Navy'! Jack Pearl, R.M. who had embarkation leave early in the cricket season, has since been in Durban, and writes he is now on the way elsewhere.

We hear of and congratulate David Lee on his marriage in early June at Dundee, to a lady of that town.

An airgraph from John Quirk (R.N.V.R.) tells of his seven months tour of N. African ports, and after a short absence from Algiers, he returned to find Ray Bennett had slept a night or two in his bed! So that's who's name the censor removed from Ray's letter.

K. Midgley has gone overseas.

Peter Larkin, R.A.F., is training in S. Africa.

Frank Oyler has had embarkation leave and now belongs to an Independent Amphibian Platoon, R.A.S.C. Merle Grant and Hedley Bennett have also just returned after similar leave and Colin Young (R.A.F.), leaves for overseas training.

Bon Wilson has just completed a further embarkation leave.

CRICKET.

As will be seen from the results, the weather has been kind since the last Bulletin. Details are as follows :—

Sunday, May 23rd v. R.A. Clarke's XI.—Winchmore Hill 164, R. A. Clarke's XI. 84.

The Hill batted first and made a total of 164, of which A. Hayward made 70 not out. The visitors reply was rather weak and only Tony Brown (on loan) 35 not out, could do anything at all useful.

Saturday, May 29th, 1st XI. v. N. Middx. 1st XI. (A)—Winchmore Hill 149, N. Middx. 222/8.

W.H.C.C. thus suffered their first defeat of the season. The fielding and bowling were quite good, but apart from Hurst and Punchard, the batting was poor. At least 200 runs should have been scored by us on a good wicket. Hurst, 53 (4 fours and 1 six), Garth Morgan Punchard, 42 (4 fours and 1 six) 6 for 59. North Middlesex won by 6 wickets going on to score 222/8. E. Birch 3/42, L. Flower 3/71.

Sunday, May 30th v. Polygon—Winchmore Hill 86, Polygon 60.

The Hill elected to bat first and their being all out for 86 was mainly due to some excellent bowling by 'Bill' Bedford who took 7/31. Polygon's reply commenced well but they later found E. Birch (6/28) and L. Thompson (4/27) both very difficult to play and were all out for 60.

Saturday, June 5th, 1st XI. v. Finchley (A)—

Finchley 103—Punchard 4/31, Flower 5/33. W.H.C.C. 71—Blackwell 28.

After dismissing Finchley for 103, the Club appeared set for another win, but the wicket was drying out after the rain earlier in the day and developed into something of a glue pot. Only Blackwell put up anything of a show.

Sunday, June 6th v. British Empire XI.—British Empire XI. 97, Winchmore Hill 67.

British Empire batted first and found Blackwell's bowling very accurate. He took 6/26 and the side was dismissed for 97. This was an excellent performance against the renowned Empire XI., and as we had the assistance of such batsmen as F. C. Hawker (Southgate) Cliff Topping (Edmonton) and R. Livermore (Highgate) it looked as though we had a good chance of victory. Ray Smith opened the bowling and the Hill found him very hard to play, and mainly due to his efforts the score board read 33/7 and things looked very black. Then Marshall joined Topping and they put a brighter complexion on the game. It was, however, too good to last, for Marshall was tempted by one from C. B. Clarke and caught in the slips. Dick Lister followed, but was promptly bowled by Ray Smith, ending the innings at 67.

Saturday, June 12th, 1st XI. v. Enfield (H)—Enfield 104 (Birch 6/36, Bennett 3/26), Winchmore Hill 157/9 (won by 4 wickets), Blackwell 32, Thompson 47.

Birch bowled very well and everyone was delighted to have "Killer" Bennett and Frank Hunter in the side (the former being on embarkation leave and the latter on disembarkation leave).

It is understood that a musical evening was held in the bar, which all enjoyed, particularly a lady who failed to read the 'men only' notice on the door. The "Killer" was in fine voice and has added to his repertoire since joining the R.A.F.

2nd XI. v. Haileybury College (A)—Winchmore Hill 175/6, Haileybury 101/8.

We batted first and made 175/6 declared, of which Alec Hayward made a splendid 87. Haileybury replied and batted doggedly, when stumps were drawn they had 101/8 on the board.

Sunday, June 13th v. Ferndale—Winchmore Hill 110, Ferndale, 93/9.

The Hill batted first and made 110 to which Ferndale replied with 93/9. Hedley Bennett (4/31) and H. Lambert (4/24) doing most of the damage.

Monday, June 14th v. Alexandra Park (H)—Winchmore Hill 87, Hurst 53, Davis 7/19, Alexandra Park 182/5, Newman 66, C. Davis 59 not out.

The Hill (with not too strong a side), took a handsome beating, once again, apart from Hurst who batted very well, failing badly against Davis. For Winchmore Hill, Bennett took 2/55 and Birch 2/23.

2nd xl. v. Alexandra Park 2nd XI. (A)—Alexandra Park 196/8, Winchmore Hill 112/4.

Alexandra Park batted first with consistency and made a total of 169/8, Douglas (74) and Grant (52) being the main contributors. A win for us was out of question, owing to the time available and we did the next best thing by scoring 112/4, young Graves making a beautiful 55 not out.

June 19th, 1st XI. v. South Hampstead (A).

Unfortunately South Hampstead scratched late due to heavy rain and the first side thus had no game.

2nd XI. v. Royal Dental Hospital—Winchmore Hill 108, Royal Dental Hospital 109.

We batted first making a total of 108. Graves was again on form and made a useful 42. Royal Dental Hospital's reply commenced badly and it seemed like an easy victory but their tail wagged and they just managed to win a very enjoyable game by one run.

Sunday, June 20th v. Standard Telephones—Winchmore Hill 174/9, Standard Telephones 80.

Standard Telephones batted first and were all out for 80, on a rather tricky wicket. The Hill started slowly in their reply, but finished up with 174/9 of which Hurst made 30 not out, having retired hurt once after a blow on the nose. Dick Lister made 33 not out.

Saturday, June 26th v. Highgate—Winchmore Hill 148, Punchard 74 (nine 4's), Highgate 115/6, Burch 3/47, Blackwell 2/20.

Groundsman's Benefit Day and a lovely one for cricket. Punchard again played a fine hard-hitting innings and Birch bowled well in addition to taking three catches, one a snorter at short leg. Pedagogue Percy batted briskly for the Hill to make 6 in 47 mins. 'Coop' served copious quantities of wallop before offering thanks once again to one and all, for what one and all had done for one.

2nd XI. v. Highgate 2nd XI. (A)—Match Won (Scores not in book).

Sunday, June 27th v. Hale End—Winchmore Hill 174/8, Hale End 103/8.

The Hill batted first and made the substantial total of 174/8. Frank Hunter recaptured some of his old form in a hard hit 40, was ably assisted by Frank Bateman (37). Hale End replied but appeared to be playing for the draw.

TENNIS.

The membership appears to be increasing as the season advances and we are fortunate in having a goodly number of male members still with us.

A good standard of tennis is still maintained as was proved by the Singles Championships held on Saturday the 26th of June. The Ladies Singles Championship between Miss Eldred and Mrs. Peggy Wood proved to be very interesting and evenly contested game with Mrs. Wood winning by two sets to one.

The Gents final was again won by Mr. Croker this time his opponent was a new member Mr. Roberts, who although beaten in two sets gave a very fine exhibition.

We are proposing to hold Ladies and Men's Doubles and Mixed Doubles Tournaments during the remainder of the season.

A Mixed Doubles Match was played recently against the Conway Club on their ground resulting in a Win for the Hill.

* * * * *

SOCIAL SECTION.

On the 12th of June a dance was held in the Pavilion and in spite of the number of people now engaged in other spheres the attendance was encouraging for future events of this nature. Owing to the difficulty in obtaining a band we were very pleased to have the services of Mr. Sherman with his records of well known dance bands.

Saturday 26th June was the groundsman's benefit day and as usual side shows were held on the "Bowling Green" behind the Pavilion. The side shows included Bagatelle, Darts, Ring the Bottle, etc., etc., and we were very fortunate in obtaining the services of the famous Indian Fakir Singh Singh (late of America) who kept the Ladies both interested and on tenderhooks while he told of their past in many cases long forgotten.

The outdoor attractions were followed by a dance. During the interval trophies were presented to the Singles Champions by Mrs. Chesher who also presented the prizes to the winners of the various competitions. Following a vote of thanks by Mr. Dupont, a bouquet was presented to Mrs. Chesher. Cooper was prevailed upon to leave his charge, "The Bar" and make his annual speech concluding in the usual manner "I thank you one and all."

Our thanks are again due to the ladies who provided the refreshments during the interval.

* * * * *

ANNUAL GENERAL MEETING.

The Annual General Meeting of the Football Club was held on Monday, May 31st, 1943, in the Pavilion, and the attendance, considering war-time conditions, was not unsatisfactory. In particular, as last year, the Chairman welcomed those members who had travelled some distance to attend.

In commenting on the results for the 1942-3 season the Chairman stressed that the 2nd XI. did not show up so well as in the previous season, but this was quite well due to the policy of giving as many members as possible games in a rough rotation, so that the same side was never fielded twice in succession. Further, owing to 1st XI men leaving on call-up the Reserves had players promoted, and when the members on leave are accounted for, all of whom were given games when they wished, it may be said that a very fair management of the teams was achieved.

Even so, the 2nd XI had a good season by pre-war standards. The results below show that the 1st XI did all that was expected of it, and once again we can only say that we would like to table as good figures in peace-time.

	P.	W.	L.	D.	F.	A.
1st. XI.	30	18	8	4	136	83
2nd. XI.	31	13	16	2	90	96

Last season the elements were far kinder than in 1941-2, and no games had to be abandoned because of weather. And here it may be mentioned how well our faithful groundsman, Cooper, had kept the ground in order. His difficulties had increased but we never played on a better-kept pitch than our own, and members were glad to have this opportunity of recording their great appreciation of Cooper's services.

The old stalwarts, as well as the younger entry, continue to go into the Services, and we have now no less than 68 members in the Forces. Details of their activities will be found elsewhere in this issue.

The Accounts showed surprisingly well. The balance in hand at the end of the financial year was £186 7s. 11d., as compared with £111 19s. 9d. at the end of last year. This was accounted for by a general all-round combination of economies and increased receipts. Players' subscriptions, vice-presidents' subscriptions, and canteen profits were up on the year, but a considerable item on the credit side was connected with the arrangements as to rent concluded with the Parent Club. From them was received a grant in respect of past payments for rent, and also, most welcome and very important, a reduction in the annual rent payable. In other words, as was emphasised by Mr. J. North, the Chairman of the Parent Club, the co-operation between the Club and the Football Club, which has been most enthusiastically cultivated during the past few years, is now showing results in the very best manner—the willingness of both to assist the other in these difficult days. A particular feature of this is the increasing number of members who are joining both cricket and football, and, in fact, this is only to be expected when the amenities of the Club, and its ground, offer them probably the best sport for miles around.

Following election of Officers for the ensuing season the following were chosen :

President	- - - - -	Miss Paulin.
Chairman	- - - - -	Mr. P. F. Hockley.
Hon. Secretary	- - - - -	Mr. L. E. Brown.
Hon. Team Secretary	- - - - -	Mr. H. Blackmore Brown.
Hon. Match Secretary	- - - - -	Mr. P. F. Hockley.
Hon. Treasurer	- - - - -	Mr. E. O. Welsford.
Captain of the Club	- - - - -	Mr. R. L. B. Guettier.
Committee :	Mr. F. H. Bowles, Mr. Henry Brown, Mr. E. Ings, Mr. J. Jennings, Mr. L. J. W. Smith, Mr. L. Thompson.	
Hon. Auditor	- - - - -	Mr. R. L. B. Guettier, A.C.A.

Before the election tributes were paid to Mr. Harold Blackmore Brown who assumed the duties of Hon. Team Secretary during last season, at a moment's notice, when the then Team Secretary, Mr. Hockley, found it impossible, for business reasons, to continue in office. Mr. Brown tackled the business with his usual skill and hard work, and nobody would have thought that a change had been made, so very smoothly was the transfer carried through. Also highly competent was our Treasurer, Mr. E. O. Welsford. Figures speak for themselves, and the Club is indeed fortunate in having one who, in spite of a most disarming nonchalance, is nevertheless most capable and persevering in watching over our finances and taking every possible measure to ensure good results. It was generally agreed that the Club could have no better Captain than Mr. Guettier, and here also results speak volumes. He had suffered to some extent from injury during the season, but is thoroughly recovered and we are confident that next season will confirm

our choice in asking him to continue. The work of the Hon. Secretary is always taken for granted, and seldom appears on the surface, but in Committee we are able to value at its true worth the work of Mr. Leslie Brown, and he has latterly assumed, in addition, the sub-editorship of the "Chat." We still think highly of our Chairman, and after his first year of office there was no competition at his election. We look forward to another successful season under his guidance. One cannot close this list of tributes without a very well-deserved one to Mrs. Welsford, who manages our canteen so skilfully. This is real hard work, and entails, we feel sure, much cudgelling of brains to secure the excellent results shown. We thank her and her helpers, as we fully realise that much of the success of the season is due to the fact that the canteen is one of the things which is sure to function.

During a discussion as to the best methods of training, with a view to endeavouring to improve on these, it was suggested that P.T. should be started earlier than previously, so that when ball-practice commences members will be physically more fit and thus get into their stride as soon as actual matches start. Permission will be sought from the Parent Club on these lines, and no difficulty is anticipated in being able to carry out the scheme. Members will be advised as to details later on.

We shall try to have our first matches, during September, against good clubs, but these will be played away, and it will not be until the first Saturday in October that our home games will come on. The Committee was instructed to enter the Club for some Charity Cup Competition, and it was left to them to do the best possible with regard to this. Here also details will be given when satisfactory arrangements have been completed.

The Meeting closed with a vote of thanks to the Chairman, and those present left feeling that the old Club is still standing well and with every prospect of another good season in the offing.

* * * * *

CLUB JOTTINGS.

The Chairman of the Parent Club, Mr. J. North, known affectionately to most members as 'Jimmy,' for many years Headmaster of Edmonton County School, is retiring at the end of the Summer Term. We wish him many years enjoyment of well earned leisure.

* * * *

The 'Schwarze Korps' newspaper the Gestapo organ, printed the following recently:— "The Germans have as their war-aim against England to free themselves and future generations from the English scum with red-hair, freckles and horse-teeth which calls itself the upper class." No prizes are offered for guessing the names of the two gentlemen now to be observed standing arrogantly aloof demanding a minimum of a double short one for the privilege of rubbing shoulders.

* * * *

We have to report a further addition to the Parents Section. Marriion and Henry Schwaner proud parents of a son; also the birth of a son to two well known ex-members Kathleen and Reg Cowper.

* * * *

There are a few spare copies of back numbers of The Chat. Anyone desiring a copy should get in touch with the Secretary as soon as possible before these are turned over to 'salvage.'

* * * *

We regret that in our last issue we gave Mrs. Hancock's address incorrectly. Please note that her correct address is 31, QUEEN ANNE'S PLACE, ENFIELD, MIDDLESEX.
